ORDER

16 Before the Court is the Motion for Order Approving the Receiver's Report
17 Concerning the Hope Supply Warehouse Operation Re: The Breast Cancer Society, Inc.
18 (Doc. 163).

19 The Receiver states that ten days before filing the Motion she provided all parties
20 and applicants notice of her recommendation to close the Hope Supply Warehouse
21 operations. The Receivership Order (Doc. 58) requires an additional ten days to permit
22 any objections to be filed if the Receiver recommends transfer of Hope Supply
23 Warehouse assets to one or more Approved Qualified Charities. Although the
24 Receivership Order does not require an additional ten days for objections if the Receiver
25 determines that no charity is sufficiently qualified, out of an abundance of caution, the
26 Court will consider any objections to the Motion that are filed by October 19, 2015.
